

REMARKS

In the Office Action mailed July 2, 2004, Examiner rejected claims 2-5, 9 and 10 as being anticipated by Dutina, indicating that claims 6-8 would be allowable if rewritten in independent form to include the limitations of the base claim and any intervening claims.

Claims 2-10 are cancelled without prejudice to a later filing of divisional or continuing applications directed to the subject matter thereof. New claims 11-16 are introduced for the Examiner's consideration. Claim 11 includes the limitations of claims 2, 4-6 and therefore allowable. Claim 12 depends from claim 11 and contains the limitations of cancelled claim 7. Claim 13 depends from claim 11 and includes the limitations from cancelled claim 3. Claims 14 and 15 both depend from claim 11 and contain, respectively, the limitations from cancelled claims 8 and 9. Claim 16 depends from claim 15 and contains the limitations from cancelled claim 10.
